hello
September

FROM THE PRESIDENT & CEO

Now that we've hit the 'ber months, time will undoubtedly fly with what remains of 2025. Everything we have done this year has been a success thanks to the guidance of our Board, help of our volunteers, and investments by our sponsors and members.

In this month's newsletter, you will find details on **UpNext: A Business & Skills Exchange**, coming October 28. We've revamped our pricey expo to be an affordable investment and dug in to create a series of workshops that will bring knowledge and value. With Allegany College of Maryland serving as our host site, you will have an opportunity to connect with students and professionals, visit our vendors, and grab food from a variety of food trucks. Thank you to **Allegany College of Maryland**! Check out the details on our website (linked on the flyers), for all of the info on how to participate in day.

We recently closed out nominations for the 2025 Recognition Awards with a staggering 25 nominations. Our committee has a lot of work ahead! We'll announce our honorees on September 26 and invitations will be mailed. We look forward to celebrating with you!
